## ***2011 CATALOGUE OF EVENTS ADVERTISING***

Dear Advertiser,

The Curran Black Bear Festival Committee is seeking advertisers for the 2011 Curran Black Bear Festival Catalogue of Events. To have your business placed in the catalogue, simply **fill out the enclosed information** and get it to us no later than **Friday, July 22, 2011**.

The Curran Black Bear Festival was started in 2005 by a small group of local businesses, elected officials and volunteers. The purpose of the Festival is simply to provide a means for the small community of Curran (Mitchell Township) to come together and make a positive impact. The designation of Curran as the Black Bear Capital of Michigan had just occurred. That first Black Bear Festival Committee realized there was no better way to encourage community spirit and participation than to capitalize on the Township's most available resource, the native black bear!

The Curran Black Bear Festival Committee is committed to inspiring local participation in the event and keeping costs as low as possible. As a non-profit organization, the Committee's goal each year is to break even financially. Because of that, the cost of your advertisement is extremely reasonable and guarantees that your business or event will be placed in a minimum of 2,000 catalogues. The catalogues will be placed conspicuously throughout the region and at many other local activities and festivals.

Please see the following pages for pricing. **Your advertisement will placed in a minimum of 2,000 catalogues.**
